

MINUTES OF THE PRE-BID MEETING OF TENDER NOTICE NO:173 DT:16.12.2015
HELD ON 23rd DECEMBER, 2015 IN CONNECTION WITH TENDER FOR SUPPLY,
INSTALLATION AND MAINTENANCE OF PORTABLE SOLAR HOME LIGHTING
SYSTEMS.

Participants as per Annexure.

The Principal Chief Conservator of Forests (K.L), Odisha was on Chair.

The Tender Notice No.173 dated 16th December, 2015 in connection of supply, installation and maintenance of Portable Solar Home Lighting Systems has been floated. This pre-bid meeting was held on 23.12.2015 as per notified schedule to interact with prospective bidders and clarify or amend the terms and conditions of Tender if required to remove inconsistencies or printing mistakes etc. The following issues were discussed and decisions taken thereof.

It was suggested by the prospective bidder to slightly amend the payment clause (Clause No:15 of terms and conditions) so that the payment can be made to the successful tenderer in phases instead of completion of supply and installation of total specified nos. of Solar Home Lighting Systems. After a discussion, it was decided to make payment in phases in the batches of a minimum of 50 nos. of units subject to fulfilment / compliance of all the stipulations of tender and the terms and conditions of tender document.

The payment clause of terms and conditions of the tender stands modified to this effect as per the above decision.

The meeting ended with vote of thanks to the chair.

Principal Chief Conservator of Forests
Kendu Leaves, Odisha.
