

Minutes of the pre-bid meeting held in connection with tender for procurement, installation, commissioning and maintenance of solar P.V. Power Plant.

Participants: As per annexure.

The Principal Chief Conservator of Forests (KL), Odisha was in chair.

The tender notice No. 145 dated 16.10.2015 has been floated for procurement, installation, commissioning and maintenance of Solar PV Power Plant. This meeting was scheduled to interact with the prospective bidders and clarify or amend the terms and conditions of tender notice if required to remove inconsistencies in printing mistakes. The following issues were discussed and decisions, if any, taken thereof.

1. Exemption of EMD/ cost of Tender Paper:

The participants pointed out that as per resolution of Department of M.S & M.E., Government of Odisha, NISC registered firms are exempted from tender paper cost as well as deposit of EMD. It was clarified that the relaxation/exemption notified by the Government of Odisha will be applicable.

2. Solar P.V. Panels:

The representatives from the prospective bidders pointed out that under Solar P.V. Module panel specification has been given 250wp x 12 and queried whether higher specification would be accepted or not. It was clarified that 250wp is the minimum panel output and higher output panel will also be accepted in which case the number of panels will be adjusted accordingly to have 3 KW power generation.

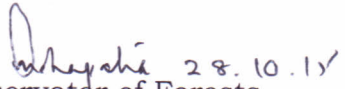

3. Battery specification.

The battery specification will read as under:

VRLA Type, 2 Volt, maintenance free, (Luminous/Exide or equivalent) 300Ah or higher/48 Volts.

The technical specification, terms and conditions as per tender notice stand modified as per the above decision.

The meeting ended with vote of thanks to the chair.

Principal Chief Conservator of Forests,
(Kendu Leaves), Odisha.
