Office Order No **265** /1F, Dated, Angul the 27<sup>th</sup> April, 2026

Corrigendum - 3 to Tender Call Notice

**Bid Identification No. DFO/ANG-01/2026-27, Dated: 09.04.2026**

In continuation of this office order relating to the tender notice issued for the procurement and installation of various items in the Angul Forest Division for the year 2026-27, under the aforementioned Bid Identification Number, certain revisions in schedule and inclusion of additional items have been made.

The revised dates and newly added items shall form an integral part of the ongoing tender process and are to be read in conjunction with the original tender document. All bidders are requested to take due note of these additions and modifications, as detailed below, while preparing and submitting their bids.

The tender will be available on the website from **10.04.2026 at 10:00 AM** to **05.05.2026 up to 5:30 PM**. The closing date for submission of bids is **05.05.2026 up to 5:30 PM**, and the tender will be opened on **06.05.2026 at 10:30 AM**.

| Sl No. | Items   | Specifications (Approx) - Indicative Only  | Remarks                |
|--------|---|--|------------------------|
| 38     | Floating House/<br>Floating Villa/<br>Floating Cottage, etc | Floating house, villa, or cottage units shall be designed as safe and stable structures on water, suitable for lakes and reservoirs. The size may range from 20 to 200 sq.m. The floating base shall be made of durable materials like HDPE floats, RCC, or steel pontoons with adequate load capacity and at least a 2-times safety margin.<br>The upper structure shall use treated wood, steel, or bamboo with weatherproof walls and roofing to withstand rain, sun, and wind up to 150 km/h. Flooring must be anti-skid and water-resistant. Units shall be securely anchored while allowing movement with water level changes, and connected to land by a safe gangway.<br>Basic facilities like water storage, and eco-friendly toilets (bio-digester/holding tank) must be provided. Materials should be corrosion-resistant and durable, with safety measures like life jackets and fire protection included. | Annexure V of List - I |
