STATE FOREST HEADQUARTERS, ODISHA
OFFICE OF THE PRINCIPAL CHIEF CONSERVATOR OF FORESTS
ARANYA BHAWAN, CHANDRASEKHARPUR, BHUBANESWAR - 23
 Office No.0674-2300053/2300855, Email: affn.pccfodisha@gmail.com

Circular No. 1102 /12 (Affn.)258/2018

Dated, Bhubaneswar, the 04th October, 2018

Forest connotes an area rich in biodiversity and covers with herbs, shrubs and tree species. Forest conservation demands that the original make, composition of the forest area is maintained. Forest Plantation (Afforestation & Reforestation) programs are primarily meant to cover the area with trees, without significantly affecting the originality of the vegetation in the landscape. Species mix of any plantation program is of great importance from Forestry & Wildlife point of view. In many of the plantations in natural forest, Teak (*Tectona grandis*), Acacia (*Acacia auriculiformis*), Sana Chakunda (*Cassia siamea*) and Eucalyptus are preferred due to its non-browsable nature and fast growth. Plantation of such species in forest area significantly reduces biodiversity. Other plant species (herbs, shrubs, climbers, trees) are unable to come up below Teak and Acacia plantations. Teak, Acacia and Sana Chakunda have not much relevance for wild animals and birds. Plantation of Teak, Acacia, Eucalyptus and Sana Chakunda in Sal rich forest areas of the State is ecologically not wise.

In view of the above, as per field observations and ecological basis, following guidelines are issued for immediate implementation by all Forest & Wildlife Divisions in Odisha.

1. Nowhere in Forest area, Teak (*Tectona grandis*), Acacia (*Acacia auriculiformis*), Sana Chakunda (*Cassia siamea*) and Eucalyptus shall be planted from 2019 plantation onwards.
2. Since Bamboo reportedly sequesters higher amount of Carbon dioxide and they are also preferred food plant of wild animals especially elephants, Bamboo (*Dendrocalamus strictus*, *Bambusa arundinacea*) will be given high priority in the forest plantations and seed sowing in forest areas and wildlife corridors. Under planting of Bamboo (both Salia and Daba) may be undertaken in degraded forest / open forest / scrub forest to improve the density.

3. Sincere efforts will be made to promote plantation of indigenous species including medicinal plants (A suggestive list of such plants is enclosed as Annexure-A).
4. Teak, Acacia, Sana Chakunda and Eucalyptus may be planted in barren, refractory area outside forest land where raising of indigenous species is extremely difficult.
5. Since Teak, Acacia, Eucalyptus are in high demand by the public due to its commercial importance, they will continue to be raised in forest department nurseries for distribution to public.
6. Tal (*Borassus flabellifer*) sapling to be planted around the boundary of forest and plantations.
7. Crown of Bara (*Ficus benghalensis*) & Aswastha (*Ficus religiosa*) provide cool shade for public and animals & shelter for Birds and other creatures. Therefore, at least 10,000 Aswastha / Baras per division need to be plant every year.

The guidelines will come into effect for 2019-20 plantations onwards. The guidelines are issued in supercession of previous instructions in this regard and to that extent.

 (Dr. Debabrata Swain)
 Principal Chief Conservator of Forests &
 Head of Forest Force, Odisha

File No. 13-FCWP-OS-FLB

30th March, 2017

To

The Principal Chief Conservator of Forests,
Forest Department,
Government of Odisha,
Aranya Bhawan, Chandrasekharpur,
Bhubaneswar, Odisha.

- 7 APR 2017

Received No. 11846

Sub: Approval of Working Scheme of Phulbani Forest Division for the year 2017-18 - regarding.

Ref: PCCF, Odisha letter No. 5572/11F(SFM)17/2014 dated 06.02.2017. - P. 44/c

Sir,

The working scheme of Phulbani Forest Division for the year 2017-18 submitted for approval to this Office, has been examined and after careful consideration, it is to convey the approval of the Central Govt. in accordance with the powers vested under Forest (Conservation) Act, 1980 in respect of Working Scheme prescriptions of Phulbani Forest Division for the year 2017-18, subject to the following general and specific conditions. The formal endorsement/ approval from the State Govt. may also be obtained.

General Conditions:

1. The orders of Hon'ble Supreme Court of India in the matter of W.P. No.202/95 Godaverman Therumulkpad Vs Union of India and related Interlocutory applications shall be strictly complied with. Any prescription or operation at variance with the order of Hon'ble Apex Court shall be kept in abeyance till such order is in force or otherwise not modified.
2. This working scheme is approved for the period 2017-18.
4. No forest, bearing, naturally grown vegetation shall be clear felled for any purpose whatsoever.
5. Only wind fallen/ uprooted trees shall be allowed to be harvested after its special approval of the list of enumerated trees by the CF (T). In case of epidemic outbreak, special permission for tree felling may be obtained from the CCF (Working Plan) under intimation to Eastern Regional Office.
6. No felling, breaking or clearing of forest land will be carried out in protected areas, National Parks, Sanctuaries etc. without due approval from State Wildlife Warden and concurrence from National Board of Wildlife.
7. Deviation statement along with the prescribed documents shall be reported and shall get endorsed from the competent authority by the end of the year of operation. Accordingly a summary of the report/certificate shall be submitted along with the Annual Action Taken Report to the E.R.O. for information and record.

Specific Conditions:

1. After recording the GPS and checking the records of each planting site DFO to certify that plantation is not taken up in the existing old plantation sites, without the prescribed action required prior to replanting.
2. No forest bearing naturally grown vegetation/ trees shall be clear-felled for raising plantations.
3. Care shall be taken not to expose the site to fresh erosion due to trenching. Staggered trenches may be carried out, if at all trenching is necessary for soil water conservation works.
4. While constructing check dams, no felling or uprooting of trees shall be permitted and due care should be taken not to expose the site to erosion.
5. Repair of forest road shall be done complying to the FCA guidelines. No new road shall be constructed and no fresh forest area shall be broken for widening/ reconstruction of existing roads without FCA clearance.
6. Boundary pillars proposed for construction/ repair may also be undertaken with recording of GPS locations.
7. Fire protection works shall be carried out in the interest of forestland and wildlife.
8. Approval of the working scheme does not permit to carry out any non-forestry work including construction of building, for which necessary permission under F(C) Act shall be obtained, as may be required.
9. It is clarified that all removals under the scheme shall be counted towards the yield of the expired working plan and deviation statement shall be prepared accordingly..
10. Yield shall be strictly controlled as per the existing provision of the expired plan.

Central Govt. reserves the right to review, modify or withdraw this approval at any time if any of the conditions of approval are not implemented or relevant modifications in the Working Scheme is required so as to keep it in conformity with the orders, circulars and guidelines issued by the Central Govt. under Forest (Conservation) Act, 1980 or any other statute and National Forest Policy

Yours faithfully,

(R. K. Samal)

No. 8(31)7/2017-FCE-II

2nd August, 2019

To

The Principal Chief Conservator of Forests & HoFF,
Forest Department,
Government of Odisha,
Aranya Bhawan, Chandrasekharpur,
Bhubaneswar -751023, Odisha

Sub: Grant of permission for Timber Operations as per approved Working Plans/Working Schemes of Odisha for 2019-20 - regarding.

Ref.: State Govt. letter No. 10F(TR)-23/2019-10276/F&E dated 28.05.2019.

Sir,

I am to refer to the communication on the above subject and to inform that the Regional Empowered Committee (REC) under the Chairmanship of the Dy. Director General of Forests (Central), Eastern Regional Office, Bhubaneswar has examined the Action Taken Report of the Government of Odisha for the year 2017-18, the proposal for timber felling and regeneration for the year 2019-20. The timber felling and regeneration operation for the year 2019-20 as proposed by the Government of Odisha has been recommended for permission by REC, which is accordingly approved with following observations.

- 1) The Committee took note of it with concern that large number of working plans are pending for preparation and approval. The State Forest Department, Govt. of Odisha is requested to provide definite schedule by which pending working plans are likely to be prepared and submitted to the Regional Office, Bhubaneswar for approval, within 45 days.
- 2) The regeneration achievement against fellings of 2017-18 may be provided for 2018-19.
- 3) The achievement of plantation working circle is only about 1/6th of the target proposed by the State Govt. Similarly, the achievement under rehabilitation working circle is around 1/10th of the target proposed by the State Govt. Reasons for non-achievement of the targets may be furnished.

Approval of proposed felling for the year 2019-20 proposed by the Govt. of Odisha:

Contd.....P/2

Sl. No.	Name of Working Circle	Target			Remark (Allocation of Funds under the head)
		Physical target for 2019-20 (in ha)	Regeneration proposal for 2019-20 (in ha)	Financial target* (Rs. in lakh)	
1.	Selection/ Improvement/ car Timber (OL) Working Circle	31,492.472	1,23,206.1788	263.10 @213.50/MD	"State Plan IGC"
2.	Rehabilitation/ Eco-restoration Working Circle (ANR)	68,892.8455	48,227.2215	1228.30 @280/MD	CAMPA, MGNREGS, Central Plan, State Plan
3.	Plantation Working Circle (AR)	4,774.25	4,774.25	391.94 @ 82093/ha (including 0 th year)	MGNREGS, CSR State Plan, CAMPA, OEMF, OMC, Central Plan, CAMPA WL.
4.	Bamboo (OL) Working Circle (SSO)	91,567.544	91,567.544	236.89 @2800/ha	CAMPA
5.	Bamboo Plantation	255	255	11.89 @46618/ha (including 0 th year)	OBDP

The approval is subject to the following conditions:-

1. Funds required for regeneration would have to be ensured budgetary allocation for implementation of the work programme. The State Government shall ensure that the funds for regeneration in places involving felling for revenue generation shall not be utilized from CAMPA funds.
2. In areas having law and order problem or any unavoidable reasons, if no regeneration can take place then no felling should be carried out in those areas.
3. In plantation WC the following prescriptions would be strictly followed:-
 - i. The sections size at a place should not exceed 20 ha.
 - ii. 5 m wide strip of natural forest should be retained on all sides of sections.
 - iii. 40-60 healthy trees per hectare of valuable and fruit bearing species be retained in areas where plantations are undertaken.
 - iv. No fruit trees, rare species and trees of religious importance not otherwise dangerous to human and wildlife (leaning), should be felled.
 - v. No felling should be done on either side of Nullahs, Streams and River Banks up to 20 m distance.
 - vi. The improved planting stock should be used in order to increase productivity.
4. There shall be no clear felling.
5. The state Government of Odisha should carry out coupe wise analysis of estimated yield as per working Plan and actual yield and reason for shortfall, if any.
6. The felling shall not be carried out in areas which do not have approved working plan.
7. The targets for activities like regeneration, construction of boundary pillars with GPS location, demarcation of forest boundaries and fire protection shall be achieved fully. In case of any shortfall in achievement of these targets the felling shall also be reduced proportionately.
8. All operations should be in tune with National Forest Policy 1988 and National Working Plan Code 2014.

Yours faithfully,

(R. K. Samal, IFS)

Re: Letter No TFC(TR) 39/2020/10726, dated 08.07.2020

Madam,

With reference to the subject cited above, I wish to state that Regional Empowered Committee held its deliberations on 17.08.2020 under the Chairmanship of Dy. Director General of Forests (Central) of this office. Based on the recommendations made by REC, the Central Govt. hereby conveys its approval under provisions of Rule 4 (4) of Forest (Conservation) Second Amendment Rules, 2014 on the Annual Timber Operation proposal for the year 2020-21 submitted by the State Govt. subject to the following conditions:

- The proposal of 34 Working Schemes submitted by State Govt. is also approved for the year 2020-21.
- The State Govt. of Odisha should ensure that proposal for Annual Timber Operation shall be sent to this office by 31.12.2020.
- The working permission like fellings are restricted to areas outside sanctuary/national park/tiger reserve.
- Proposed fellings shall be restricted to (Selection /Improvement/Car Timber WC (84,814.96 ha)/Plantation WC (5639.58 ha)/Bamboo (OL) WC (92,378.4 ha).

Contd...p/2

-2-

- The fellings in working schemes shall be carried out for the last time, since most of the working plans are due. The working schemes are purely of temporary nature. It should not continue for 4/5 years as in this case. All the 34 Working Plans due should be submitted for approval by Dec., 2020.
- State Govt. should submit Annual Timber Extraction from different working circle wise in m³ in April, 2021.

Yours faithfully,

S. D. Mohapatra

(Subrat Mohapatra), IFS 19/8/20.

Dy. Director General of Forests (Central)

Annexure – XXI
(Policy on procurement and trade of NTFP produce of March 2000)

(A) Government of Orissa.

Forest and Environment Department

RESOLUTION.

No.5503/F&E

Dated 31st March 2000. Bhubaneswar

Non-Timber Forest Produce (NTFP) has traditionally been perceived as an important source of forest revenue. Accordingly the policies relating to NTFP over the years have generally tended to aim of maximisation of revenue. However, NTFP is an important source of livelihood of tribals and the rural poor. These gatherers of NTFP, majority of whom are women, have limited access to the market, and their primary concern is getting a fair price for the NTFP gathered by them and being able to dispose off the produce gathered. The prevailing system does not adequately provide these facilities to the primary gatherers. At the same time, it is also equally important that collection of NTFP must be on non-destructive basis so that sustainability of forests and long term sustainability of the NTFP based livelihood can be reasonably ensured.

2. The State Government have had under their consideration proposals for formulation of an appropriate policy on Non-Timber Forest Produce, keeping in view the consideration outlined in the preceding paragraph. While formulating the policy the provisions of the Panchayats (Extension to scheduled areas) Act, 1996 have also to be kept in view. The term 'minor forest produce' has not been defined. Under the policy of Joint Forest Management, the local communities are being closely involved as partners of Forest Department in the management of degraded forests; and the members of the VanaSamrakshyanaSamiti are entitled to share of the usufructs, including the entire NTFP gathered from such a forest area. Considering all aspects of the matter, Government have been pleased to approve of the following policy guidelines for streamlining the system of collection and disposal of various Non-Timber Forest Produce items :-

Minor Forest Produce.

3 (a). The items of Non-Timber Forest Produce listed in Annexure A will be treated as Minor Forest Produce (MFP) and the term MFP will only mean and include items listed in Annexure-'A'. The list of items of NTFP to be treated as MFP may however be modified by Government from time to time, Gram Panchayat/Gram Sabha in the scheduled areas will have the ownership over MFP produced within its territorial jurisdiction, i.e. in respect of the MFP produced in and collected from the Government lands and forest lands within the limits of the revenue villages comprising the Gram Panchayat. Under law, ownership of MFP in non-scheduled areas is not vested in Gram Panchayats. Gram Panchayats both in the scheduled and non-scheduled areas will however, have the authority to regulate purchase, procurement (as distinct from collection by primary gatherers) and trading in MFP in accordance with the policy outlined in the succeeding paragraphs.

3 (b). No Gram Panchayat, whether situated within or outside the scheduled area will have ownership over MFP produced in Reserve Forests, in forest areas under Wildlife Sanctuaries and National Parks which are outside the limits of revenue villages. The Gram Panchayats will not therefore have the right to grant lease or licence to any individual or agency for collection of Minor Forest Produce from any Reserve Forest or Sanctuary or National Park. However, members of VanaSamrakshyanaSamitis, and tribals, artisans, etc. as part of their customary rights will be free to collect Minor Forest Produce from forest areas excluding sanctuaries and National Parks. When any such MFP collected from forest areas is brought to a village, i.e. into the territory within a Gram Panchayat, it will come under the Gram Panchayat's power to regulate procurement and trading. Where VanaSamrakshyanaSamiti has been formed, the Samiti and its members will have priority over the Gram Panchayat in the matter of collection and disposal of Minor Forest Produce of the respective forest area.

3(c). Any person desirous of purchasing MFP from primary gatherers or trading in MFP so purchased shall apply for registration to the concerned Gram Panchayats and the Gram Panchayat may register such dealers or traders for a season from the first day of October to the last day of September of the following year. Dealers and Traders will have to seek fresh registration for the next season. Gram Panchayats shall make all efforts to promote free competition in procurement of MFP by engaging as many

dealers for each item of Minor Forest Produce as reasonably practicable. The Gram Panchayat shall also levy an annual registration fee from such dealers or traders at such rate as may be determined by the Gram Panchayats will have to furnish a monthly return to the concerned Range Officer indicating the item of MFP procured quantity procured and the GP from which procurement was made during the month. No person will be allowed to operate as a Dealer/Trader in MFP in any area without being registered as such by the concerned GP.

3 (d). The collection of MFP by the primary gatherers will be subject to reasonable control to be exercised by the DFO in accordance with the provisions of law and sound silvicultural principles laid down in the Forest Working Plan which shall be given publicity in advance in the adjoining GPs.

3 (e). The Government agencies like Orissa Forest Development Corporation; Tribal Development Co-operative Corporations etc. may also register themselves with one or more Gram Panchayats for procurement and trading in one or more items of Minor Forest Produce.

3 (f). A Gram Panchayat may cancel the registration of any dealer/trader or may refuse to grant registration for the subsequent seasons if after summary enquiry in course of which the affected party shall be given an opportunity to show cause it is satisfied that the dealer/trader has procured any MFP from the primary gatherers at a rate lower than the minimum procurement price fixed for that item of MFP under para-5 of this resolution for the relevant year.

3 (g). No lease shall be granted by Government in respect of any Minor Forest Produce nor shall it levy any royalty on these items after commencement of this Resolution. No Forest Department Transit permit will be required thereafter for transport/movement of any Minor Forest Produce within the State).

Other items of NTFP:

4 (a). The Trade in kendu leaf will continue to be directly controlled by the State Government as there are well laid down statutory provisions for control of trade in this item. Sal Seed which is the one NTFP items notified as a specified forest produce under the Orissa Forest Produce (Control of Trade) Act 1981 will also be dealt with in

accordance with the provisions of law by Government keeping the overall interest of the trade, the industries and the gatherers in view.

4 (b). Certain items, namely Sal leaves, gums and resins of different trees and climbers and roots of various species which have medicinal or other uses will not be leased out, as the collection of these items on commercial scale has adverse impact on the sustainability of the particular species and the forest. In particular localities, however, based on sound assessment of silvicultural availability and enforcement of appropriate collection procedure, any of these lease-barred items may be allowed to be collected either directly by field organisation of Forest Department or a Government undertaking.

4 (c). The remaining items of NTFP as per the list of Annexure-B, which may be modified by Government from time to time, will be allowed to be procured and traded by the dealers who have been registered for the purpose under this Resolution by the concerned Divisional Forest Officer. Individuals, societies, Co-operatives, Government Undertakings and Corporations may be registered as a dealer for the above purpose. Such registration shall ordinarily be granted by the Divisional Forest Officers for a season (from the first day of October to the last day of September of the following Calendar year) to applicants seeking such registration, unless there are valid reasons for refusing registration. The DFO will endeavour to promote competition among the traders and dealers by registering as many dealers as reasonably practicable for a specified area. For each items, as many dealers as may come forward can be engaged for each Forest Division/Range. OFDC, TDCC, Co-operative Societies like LAMPS etc. will also be eligible to register themselves with the DFOs and should be encouraged to engage themselves in trading in these items. The VanaSamrakshyanaSamiti, MahilaSamiti, recognised groups of primary gatherers may also get themselves registered for this purpose. The fees to be paid for registration shall be prescribed by Government.

4 (d). The registered dealers will be required to furnish the names of their authorised agents/nominees and the names of their collection and storage centres to the concerned Divisional Forest Officers, and will also record the daily transactions in prescribed formats. The dealers will have to enter into an agreement with the concerned DFOs under which the dealers will be responsible for achieving a minimum target of procurement to be fixed by the Divisional Officer, of a particular item during

a collection season. If the collection method of any particular item in any particular area is considered to be harmful or injurious to the forest, the DFO may impose temporary ban on such collection.

4 (e). The registered dealers will have to pay royalty to the local forest Range Officer at the rate fixed for the quantity of produce collected. The rate of royalty shall ordinarily not be less than 10 percent of the minimum procurement price for the particular item, but this rate may be varied by Government from time to time, *suomuto* or on proposals submitted by the Divisional Forest Officers.

4 (f). The registered dealers will be required to take transit permits from competent Forest Officers for movement/transport of the produce out of the collection centres after setting the royalty dues, etc.

4(g) The Divisional Forest Officer may cancel the registration or refuse registration of any dealer/trader if after summary enquiry in course of which the affected party shall be given an opportunity to show cause it is found that the dealer has procured any forest produce from the primary gatherers at a price less than the minimum procurement price fixed for the relevant year under para-5 of this Resolution or has failed to achieve the minimum target of procurement, or has failed to file the prescribed returns or has failed to settle the royalty dues in time.

5. For all NTFP items including MFP, the Committee appointed by Government in SC & ST Development Department will fix the minimum procurement price each collection season or part thereof. These procurement prices shall be announced every year ordinarily during the month of September and will be given wide publicity as decided by Government.

By Order of the Governor

HS Chahar

Commissioner-cum-Secretary to Government.

Annexure-'a'

Sl.No	Common Trade name of MFP	Sl. No	Common Trade name of MFP
1	Tamarind/deseeded Tamarind & Seed	31	BanaKolatha.
