D.O. No. E.4-1/2022-B-I(NAEB)

Dated: 11th June, 2024

Dear Sir/Madam,

As you are aware, World Environment Day is observed every year to generate awareness for maintaining a clean, green and healthy environment across the world. The theme of the day for the current year is 'land restoration, desertification and drought resilience'. In this connection, tree planting campaign 'Ek Ped Maa Ke Naam' #एक_पेड़_माँ_के_नाम was launched on 5th June, 2024 (World Environment Day).

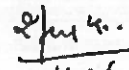

The tree planting campaign needs to be accorded high priority for halting and reversing land degradation, building drought resilience and preventing desertification. It is targeted to plant 140 crore seedlings in the current year (2024-25) and 80 crore seedlings by September, 2024. The State-wise details of the plantation target are enclosed.

You are requested to kindly take necessary actions to achieve the target of tree plantation in your State/Union Territory. The network of NSS, NCC, Village Level Institutions, Civil Society Organisations and others may kindly be mobilised to make the tree plantation campaign a mass movement.

Necessary directions may also be issued to the concerned field level functionaries as well as to the individuals/Civil Society Organisations/NGOs to upload data regarding tree plantation being undertaken in rural and urban areas on the MeriLIFE portal (<https://merilife.nic.in>). All concerned may be informed to contact Dr. S. Annadurai, Sr. Consultant (IT), MoEF&CC on his mobile number 8826837749 or email id annadurai@nic.in in case any assistance is required for filling in the necessary information.

With regards,

Yours sincerely,

11.06.2024

(Jitendra Kumar)
