Financial Evaluation

The financial proposals of the technically qualified bidders (Technical Score (TS) must be equal to or greater than 60%) only shall be opened at this stage in presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

Combined Quality and Cost Based Selection (CQCBS) method will be followed during the overall selection process. Based on the evaluation of technical proposal, the technically qualified bidders shall be ranked highest to lowest Technical Score (ST) in accordance to the marks obtained during the technical evaluation stage. There shall be 60% weight-age to technical score and 40% weight age to financial score.

The individual bidder's financial score (SF) will be evaluated as per the formula given

$$SF = [F_{min} / F_b] * 100 \text{ (rounded off to 2 decimal places)}$$

Where: SF= Normalized financial score of the bidder under consideration

F_{min}= Lowest financial quote among the technically qualified bidders

F_b= Financial quote of the bidder under consideration

$$\text{Combined Score (S)} = ST * 0.6 + SF * 0.4$$

Where ST- Technical score secured by the bidder

SF- Financial Score secured by the bidder

The bidder securing the **highest evaluated Combined Score (S)** will be awarded the contract observing due procedure.
